

JOEL GELMAN, M.D, F.A.C.S.*CURRICULUM VITAE – CONDENSED VERSION*

Director, Center for Reconstructive Urology
Associate Clinical Professor
Department of Urology
University of California, Irvine
UCI Medical Center
333 City Blvd West, Suite 1240
Orange, CA 92868

Office Telephone 714-456-2951
Office Fax 714-456-7263

Specialty Interests:

Urethral Stricture disease
Peyronie's disease, Penile Curvature
Penile Prosthesis placement
Hypospadias
Artificial Urinary Sphincter

EDUCATION

Fellowship	Adult and Pediatric GU Reconstruction 1996-97	Devine Center for GU Reconstruction Eastern Virginia Medical Center Mentor: Gerald Jordan, M.D.
Residency:	Urology 1991-95	UCLA Medical Center Los Angeles, California
	General Surgery (pre-Urology) 1989-91	Indiana University Medical Center Indianapolis, Indiana
Medical School	Medical Doctor 1983-89	Medical College of Ohio Toledo, Ohio
Undergraduate	B.A. (with honors), Psychology 1979-82	Indiana University Bloomington, Indiana
Research	Basic Research, Nephrolithiasis 1987-88	University of Chicago Chicago, Illinois
	Basic Research, Molecular Biology 1992-93	Stanford University Palo Alto, California

BOARD CERTIFICATION

Diplomat, American Board of Urology

Certified: February 1998

Recertified: 2007

ACADEMIC APPOINTMENTS

Current Faculty Appointments

Effective 8/01 Department of Urology
Associate Clinical Professor of Urology (current)
UC, Irvine Medical Center
Orange, CA

Effective 7/07 Attending Urologist
Department of Urology
Long Beach VA Medical Center
Long Beach, CA

Effective 7/98 Consulting Attending Staff
Department of Urology
Harbor/UCLA Medical Center
Torrance, CA

Effective 12/98 Consulting Attending Staff
Department of Urology
Wadsworth VA Medical Center
West Los Angeles, CA

Effective 4/03 Consulting Attending Staff
Department of Urology
LAC-USC Medical Center
Los Angeles, CA

When UCLA and USC Urology residents request Dr. Gelman's expertise in the management of patients who require urethral reconstructive surgery, Dr. Gelman provides his services on a volunteer basis at Harbor/UCLA and LAC-USC. All private patients referred to Dr. Gelman are seen at the UC, Irvine Medical Center.
